RE: FY2025 - Special District Performance Measures and Standards – Final Outcomes

---

To enhance accountability and transparency for special districts, the Florida Legislature enacted regulations requiring all special districts to establish clear goals and objectives for each of their programs and activities. In accordance with these requirements, each district was required to develop & adopt measurable performance indicators and standards to evaluate the extent to which these goals and objectives were achieved.

Furthermore, by December 1 of each year, every special district is required to publish an annual report on its official website. This report must outline the goals and objectives accomplished during the preceding fiscal year, describe the performance measures and standards applied, and identify any goals or objectives that were not fully achieved.

This memorandum formally transmits the attached Exhibit A, which details the District's goals, objectives, measurements, and performance standards addressed during Fiscal Year 2025. The exhibit also provides the outcomes for each goal, summarizes rationales for any unachieved objectives, and outlines recommended actions to address them in the future (if applicable). This memo serves as the final compliance piece for the relevant reporting requirements for fiscal year 2025.

Sincerely,

District Manager
